We had a great turn out and appreciate all of the assistance we received from everyone who bowled, sponsored, donated, and volunteered their time! This event would not be possible without all of the wonderful support from our community!

-1 button (nose) -twine (whiskers)
-glue -scissors

Wrap the toilet paper roll in your colored paper. Glue paper down and tuck the overlapping ends into the ends of the toilet paper roll. Now make a base and feet out of the foam board. Trace around the base of the toilet roll, then add two bunny feet shapes. Cut out two bunny ears from what's left of the colored paper. Glue them to the top of the toilet roll. Glue on the eyes and nose. Cut small sections of the twine and glue them on as whiskers. Glue the base of the toilet roll to the foam board base. Everybody say: BUNNIES!
