YOUR PLEDGE = BIG IMPACT

Your pledge makes a big impact on the children in our area. Every week over 150 local kids and their mentors bond through positive experiences, serious talks, and fun activities. These special moments are made possible through events such as BOWL FOR KIDS' SAKE! You are providing the funds we need to continue creating and supporting matches between "Bigs" and "Littles." Thank you!

All funds remain local and go toward:

- Recruiting new Big Brother and Big Sister volunteers.
- Covering the costs of background checks and ensuring trained professionals match Littles to responsible Bigs.
- Enabling ongoing supervision and relationship support for every Big, Little, and Little's family.
- Providing cultural and social activities to enrich the opportunities for children.

Help us match our 90 waiting Littles!

Children in our programs show results!

70% Improve school performance

69% Less likely than peers to start using drugs

71% Improve relationships with peers & family

IT'S ALL ABOUT THE KIDS

Big Brother, Jeff with Little Brother Morgan

"Abby is the best big sister in the world! I always look forward to seeing her. I wish everyday was Thursday and that when we are meeting together time would go slower."

– Brennen, D. C. Everest Student

"Jon's work with his mentor has been life changing! Jon looks forward to meeting with him every week. The life lessons he has learned have helped Jon come a long way to understanding society's expectations, job expectations and how other families function. Great experience!"

– Ms. Koskey, Teacher Mosinee High School

"Trisha to me is a great positive friend who I can talk to about anything. Trisha has helped me grow up by teaching me new things to do and showed me how to enjoy life from a different stand point."
